

REMARKS/ARGUMENTS

Pursuant to 37 C.F.R. § 1.116, reconsideration of the present application in view of the foregoing amendments and the following remarks is respectfully requested. Claims 2 – 3, 8 – 10, 16 – 24, 26, 27, and 36 are presented for consideration. Claims 8 – 10, 16 – 24, 26, 27, and 36 have been allowed.

Claims 2 and 3 were rejected under 35 USC 112, second paragraph as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. This rejection is respectfully **traversed** to the extent that it may apply to the presently presented claims.

The office action asserts that it is unclear whether the “treatment solution” referred to in claims 2 and 3 is the first or second treatment solution of claim 36. The office action further indicated that claims 2 and 3 would be allowable if rewritten to overcome the rejections under 35 U.S.C. § 112.

Claims 2 and 3 have been amended to more particularly point out that the treatment solution referred to in claims 2 and 3 is the “first” treatment solution. No new matter has been added.

With the present amendment, it is respectfully submitted that all pending claims are allowable and that the application is in condition for allowance. Favorable action thereon is respectfully requested.

Please charge any prosecutorial fees which are due to Kimberly-Clark Worldwide, Inc. deposit account number 11-0875.

The undersigned may be reached at telephone number 770-587-8626.

Respectfully submitted,

Snowden et al.
